

**POLYMERICA****PRODUCT LINE**

Product	Typical Use	Mix Ratio	Colors	Kit Sizes	Coverage Rate	Remarks
AUP Aluminum Urethane Primer	Vinyl Ester barrier coat.	1 Component	Aluminum	1 gallon	150 to 400 sq.ft.	Tenacious bond to rusted metal including roof decks
CIM Crack Isolation Membrane	Joint, saw cuts	3 to 1	Pigmented	1, 4, and 20	Determined by Project	Isolates joints, cracks and uneven surfaces
CRB Chemical Resistant Binder	Binder/Grout	3 to 1	Clear	1, 4, and 20	50-200 sf/gal	Excellent for most industrial chemical applications
CRC Chemical Resistant Coating	Body Coat Finish Coat	2 to 1	Pigmented	3/4, 3 and 15	100-200 sf/gal	Available in Low Temp and Orange Peel
CRC-F Chemical Resistant Coating w/ Flake	Finish Coat	2 to 1	Pigmented	3/4, 3 and 15	160 sf/gal	Designed for vertical applications
CRC-FR Chemical Resistant Coating - Fibre-Reinforced	Wall Coating	2 to 1	Pigmented	3/4, 3 and 15	80 sf/gal	Must be trowel or sprayed
CRC-LD Chemical Resistant Coating-Light Dissipating	Finish Coat Top Coat	2 to 1	Pigmented	3/4, 3 and 15	300 sf/gal	Top Coat only; Back roll with carpet roller.
CRF Chemical Resistant Finish	Top Coat	2 to 1	Clear	3/4, 3 and 15	300 sf/gal	Excellence abrasion resistance
CRG Chemical Resistant Glaze	Grout / Topcoat	2 to 1	Clear	3/4, 3 and 15	50-250 sf/gal	Good Chemical Resistance
CRM Chemical Resistant Matte	Top Coat	2 to 1	Clear	3/4, 3 and 15	200-300 sf/gal	Must be thoroughly mixed. Also available in Orange Peel
DEC Decorative Epoxy Coating	Grout / Topcoat	2 to 1	Clear	3/4, 3 and 15	50-250 sf/gal	Improved light stability. Also available in Orange Peel
ECC Epoxy Color Concentrate	Color base for EPS and IEB	1 Component	Pigmented	Quart Units	1 Quart for 3 gallons standard	Pigment to color clear resin
EPS Epoxy Penetrating Sealer	Primer Dustproofer	3 to 1	Clear Pigmented	1, 4 and 20	180 -300 sf/gal	Also available in Low Temp and Wall Grade
EQP Epoxy Quick Patch	Patching Paste	1 to 1	Grey	1/2 and 2	As needed	Rapid set patching material
EQR Epoxy Quick Repair	Patching Gel	1 to 1	Grey	2 and 10	As needed	Rapid set patching material; aggregates increases yeild
EWM Elastomeric Waterproof Membrane	Membrane Crack bridge	3 to 1	Pigmented	1, 4 and 20	64 sf/gal	Two coats recommended Clear & Pigmented
Granitech Cultured Granite Systems	Replaces VCT and Ceramic Tile	Complete Unit	20 Standard	20 Pounds filler	28 to 30 sf/ kit	Self-Leveling Decorative System See Decorative Blends
IEB Industrial Epoxy Binder	Primer, Binder, Grout	4 to 1	Clear Pigmented	1-1/4, 5, 25 and 275	50-250 sf/gal	Use for any standard clear resin application.
ICC Intermidate Chip Coat	Vinyl Chip Base Coat	2 to 1	Pigmented	3/4, 3 and 15	150 to 200 sf/ gal	Extends open time for vinyl chip application
IEC Industrial Epoxy Coating	Finish Coat	2 to 1	Pigmented	3/4, 3 and 15	100-200 sf/gal	Also available in Low Temp, High Viscosity, and Wall Grade
IEP Industrial Epoxy Primer	Primer	3 to 1	Clear Pigmented	1, 4 and 20	200-300 sf/gal	Also available in Low Temp and High Viscosity

LSC Light Stabilized Coating	Body Coat Finish Coat	2 to 1	Pigmented	3/4, 3 and 15	125-160 sf/gal	Also available in Light Dissapating, Orange Peel, and Wall Grade
LSS Light Stabilized Sealer	Top Coat	2 to 1	Clear	3/4, 3 and 15	200-300 sf/gal	Also available in Orange Peel
MRP Moisture Reduction Primer	Primer where maximum vapor is 8 pounds	3 to 1	Clear	1, 4 and 20	150 to 180 sq. ft/ gal	Not a moisture passivator, and is designed to retard moisture
MVP Moisture Vapor Passivator	Primer Moisture Retarder	1 to 4	Clear, White, Grey, Brick Red	1-1/4 and 5	*See Data Sheet	Available in 1 or 2 coat systems
NEB Novolac Epoxy Binder	Primer, Binder, Grout	2 to 1	Clear	3/4, 3 and 15	50-200 sf/gal	Excellent chemical resistance: Acids & Caustics
NEC Novolac Epoxy Coating	Body Coat Finish Coat	2 to 1	Pigmented	3/4, 3 and 15	100-200 sf/gal	Also available in OrangePeel and Glass Flake
PEM Polyurea Elastomeric Membrane	Membrane Crack bridge	8 to 1	Sabre Grey	1-1/8, 2-1/4, and 4-1/2	64 sf/gal	Two coats recommended
RRB River Rock Binder	River Rock Binder	2 to 1	Clear	3, 15, and 165	Varies	Available in Low Temp, Summer Grade & STD. Cure
SLE Self-Leveling Epoxy	Body Coat Finish Coat	2 to 1	Pigmented	3/4, 3 and 15	25 sf/gal @ 1/16"	3 Gal SLE and 50# of SLF Yield 135 SF @1/16
US-SL Self-Leveling Applications	Thin Applications Coat	Complete Kit	Gray, Red Neutral	2 Gallons resin and 28 Pounds filler	Approx. 35 sq. ft. @1/8"	Thinner applications and underlayment
US-MG Mid-Grade Self-Leveling Applictions	Thicker	Complete Kit	Gray, Red Neutral	2 Gallons resin and 40 Pounds filler	55 sq. ft. @3/16" Depending On Broadcast	Self-Leveling Medium thickness
US-TG Trowel-Grade	Troweled Surfacers	Complete Kit	Gray, Red Neutral	96 ounces resin and 44 Pounds filler	55 sq. Ft. @3/16" Depends On Broadcast.	Coves, patching and filling
US-UC Finish Coat To Maintain Chemical Properties of System	Finish Coat	4 Components	Red, Grey, Beige & Others.	1/2 and 2	125-250 sf/ kit	Matte Finish
VNB Vinyl Ester Novolac Binder	Binder/Grout	32 to 1	Clear	1 and 5	50-200 sf/gal	Primer, Matrix and linings
VNC Vinyl Ester Novolac Coating	Finished Coat	32 to 1	Pigmented	1 and 5	150-200 sf/gal	Linings and Finish
VNC-F Vinyl Ester Flake Novolac Coating	Finished Coat	32 to 1	Pigmented	1 and 5	150-200 sf/gal	Abrasion & Chemcial Resistance Finish

Decorative Aggregate Systems

MasterShield Industrial Colors	Black, White, Pearl Grey, Sabre Grey, Steel Grey, Slate Grey, Almond, Sand Beige, Taupe, Cayenne Red, Brick Red, Cypress, Wedgewood, and Traffic Yellow
MasterQuartz: MQF Solid Colors	Black, Blue, Blue-Grey, Brown, Buff, Green, Grey, Red, Tan, Teak, White, Yellow, and other special colors
MasterQuartz: MQB	Cantina Red, Canyon Beige, Nassau Blue, Palm Green, Richmond Grey, Sahara Beige, Stonewall, Tuscan Beige, Antique Green, Arctic Blue, Cardiff Grey, and Peppercorn
MasterShield Granitech	Blue Denim, Chimney Sweep, Rain Forest, Golden Pyramid, Morning Glow, Sterling, Spearmint, Bluegrass, Mint Leaf, Onyx, Blue Lagoon, Grape Arbor, Gold Ambition, Coral Reef, Stardust, Mulberry, Autum Leaves, Juniper, Pinkster, Shifting Sand
